

TOM — KIRK LIGHTING

Linear Chandelier Thin

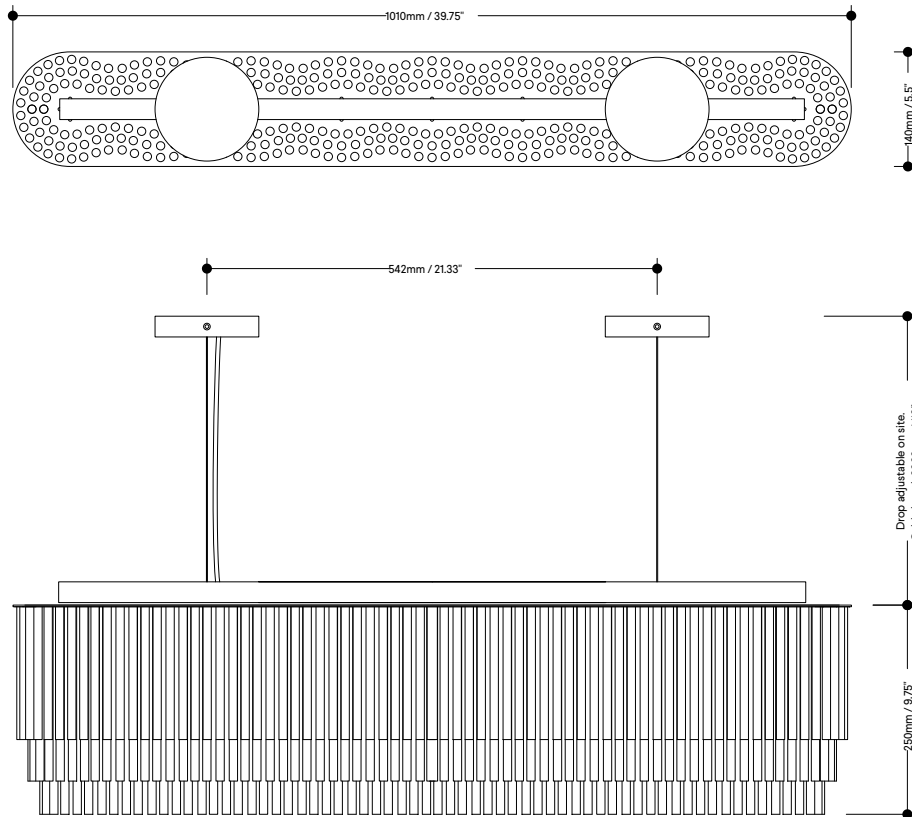

For interiors that require a more minimal luminaire, the Linear Chandelier Thin is a great lightweight alternative to the Linear Chandelier. It works equally well suspended in open-plan spaces or as a central feature over dining tables and work surfaces. The design is available in two standard lengths and comes with a 3-metre cable assembly that can be adjusted to exactly the right height.

Sizes

1010mm
1445mm

Linear Chandelier Thin 1010mm

Lamp specifications UK
220-240v 50Hz 9 x 3w G9 LED

Lamp specifications USA
